Dear Madam:

About two weeks before it was time for one of our recent Catalogs to appear, we received the following note from a valued customer-friend in Carbondale, Pa. She wrote, "I hope the new Catalog will soon be ready. I always feel as anxious as a child when they are due!"

There are thousands upon thousands of customer-friends who await the appearance of each new Larkin Catalog just as eagerly as she does, and you can not realize what pleasure it affords us to give it to them -- to have them see our newest offers and to know that the pleasant associations of the past are to be continued.

There are many thousand other people, however, who will make their first acquaintance with the Larkin Plan through this very Catalog you are now holding. To them, this book will be a revelation, for it will show them how the money they now spend for household supplies can be made to do double duty -- to buy them the same quantity of household supplies they are now getting and to bring them besides, without additional cost, choice furnishings for their homes, stylish clothing and dozens of other useful things.

How can it be done, you ask? It is really very simple. Instead of selling the household supplies made in the great Larkin Factories, first to a sales agent, who in turn would sell them to a wholesaler, who in turn would sell them to a storekeeper, who in turn would sell them to you -- each adding his expenses and profits to the price of the goods -- instead of all this, we sell them direct to you, saving you all this unnecessary expense and giving it to you in the form of a Premium.

Hence, when you buy \$10 worth of household supplies from us you get not only the \$10 worth of supplies but a Premium in addition, which itself is worth \$8 or \$10. This makes, altogether, \$18 to \$20 worth of store-value for only \$10 in money -- just because you save the middleman expense by dealing direct with our great factories. A big gain when you stop to think, now isn't it?

Our household supplies -- the Larkin Products -- are shown on pages 9 to 43. Look them over carefully -- they are the very same articles which you buy day in and day out at the stores, only we go a step further than the storekeeper and guarantee them to satisfy you or your money back. Nowhere else is it possible for families to buy such a wide range of necessities from the factory.

(Over)

Our Premiums are shown on pages 44 to 179 and you need but to glance at the many attractive offers to know that they include almost everything you need in your home. In fact many of our customers have furnished their entire homes with Larkin Premiums, and it is safe to say that you yourself can think of at least a dozen homes in which Larkin Premiums constitute an important part of the furnishings.

The various ways in which you can get Larkin Products and Premiums are described in the opening pages of this Catalog. Most popular of all is the Club-of-Ten Plan, by which one can get a Premium given with a \$10 purchase of Products and buy the Products in amounts as small as \$1 worth at a time.

Over a million people deal with us on the Club-of-Ten Plan. Many of them have dealt with us for years. As a recent visitor to our Factories remarked: "My mother, my sister and I are all Larkin Club-members. We have been so for years. When we bought supplies of the stores we had nothing permanent to show for our money. Since we joined Larkin Clubs we have many beautiful and valued things." We are sure that you will want to read all about the Larkin Club. You will find it fully described on page 3. Read too, on page 4 how you can earn Larkin Premiums by running a Club yourself. Over a hundred thousand of our customers are doing this and finding it not only a profit but a pleasure.

And now this new Catalog with all its attractive offers is yours to use as you see fit. If you are not already a Larkin customer we sincerely hope you will become one. Indeed, when one considers the big extra value you can get from us -- the handsome durable Premiums you can obtain without cost, simply by buying a few of your necessary household supplies direct from our great factories instead of at the stores -- one wonders how you could help joining the "great Larkin family" and enjoying these exceptional benefits.

Our parting suggestion to you is that you look at our Premium offers, select some Premium you want and note how many Products you will have to buy to get that Premium without cost. Then turn to the front pages of the Catalog and decide which of our plans will be the most convenient for you to use in getting the Products. We are sure you will find one that fits your needs exactly!

Yours respectfully,

L A R K I N C O .

The Larkin Plan of Factory-to-Family Dealing

1

The money that stocks your pantry
will also furnish your home

ON pages 9 to 43 of this Catalog are over 600 useful household supplies, each of the best quality in its class. These household supplies are the Larkin Products—by buying these from Larkin Co. at the usual store-prices for similar supplies, you get IN ADDITION your choice of the 1600 Larkin Premiums. **You pay only the price of the Products; but you get both Products and Premium.**

The prices which stores charge for many things are two to three times the prices the manufacturers get for them. Store-prices are high because the stores, and the wholesalers who sell to the stores, and the jobbers who sell to the wholesalers, must each make a profit and enough more to pay rent, clerk-hire, salesmen, losses and other expenses. When you buy your every-day supplies from the Larkin Factories, however, you save all these unnecessary expenses and receive your saving in the form of Larkin Premiums.

How to Order Larkin Products and Premiums

Larkin Products are all described on pages 9 to 43; Larkin Premiums on pages 44 to 178. The index of Premiums is on page 180—the last white page. An Order Blank comes with this Catalog and more will be sent on request.

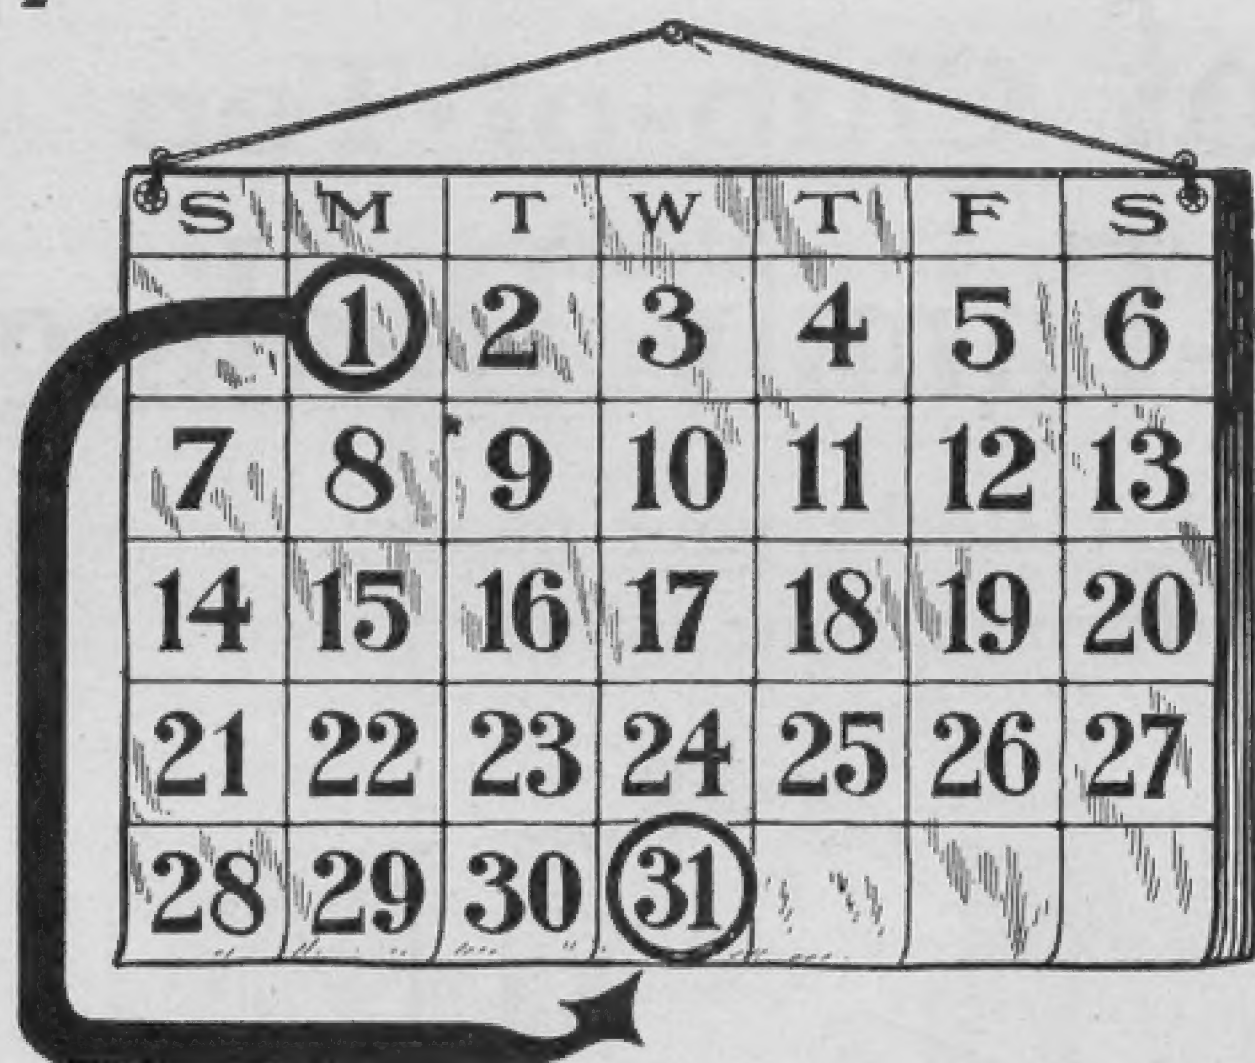

In the offer of each Premium is stated the amount of Products with which the Premium is given. If you want the goods shipped by freight, be sure to order as much as \$10 worth of Products, because that is the smallest quantity economically shipped by freight.

If you want 30 days' credit, **see our Credit Offer, next page.** Or, by paying cash, you will obtain the Present for Cash, offered on next page also.

If \$10 worth for your own use seems more than you want at first, ask some of your neighbors to join you, send cash with the order, and **we will reward you** for introducing our Products to your friends, as described on page 5.

You may order Products alone (without Premiums) for one-half their Catalog-prices. This gives you \$2 worth, store-value, for \$1.

Send money by postal or express money-order, or your own check, or that of some neighboring merchant; or send cash in a registered letter.

30 Days to Pay

Our Unequaled Free Trial Offer

YOU may order \$10 worth of Larkin Products and Premiums, all of your selection on trial. Send no money with the order. Having tried the goods for 30 days, if you are not satisfied, we will remove them at our expense.

We make this remarkable offer to all those to whom their home merchants would give like credit.

Select from pages 44 to 178 of this Catalog any Premium or number of Premiums offered with a \$10 purchase of Products. Then pick out, from pages 9 to 43, \$10 worth of Larkin Products.

Send no money with the order.

When the goods arrive, keep them for 30 days. Use them—test out their quality. Then if you are entirely satisfied send us the \$10. If you are not satisfied write us and we will remove the goods and refund the freight- and delivery-charges.

The Larkin Products cost you just what you would have paid for similar home supplies at the store. The Premium costs you nothing except the freight and delivery.

Extra Products As a Present for Cash

By sending cash in full with your order, you can obtain the Present for Cash which consists of 50¢ worth of Products for every \$10 worth ordered. This Present for Cash may be of your own selection and

included in your order. Thus, if your order includes \$10 worth of Products you may select 50¢ worth of Products free; if your order includes \$20 worth you may select \$1 worth free, etc.

How to Obtain Larkin Coupons, Good for Premiums

Each Coupon entitles the holder to the Premium-value given with a 5¢ purchase of Products.

Users of Larkin Products often find it convenient to take Coupons instead of Premiums, with their purchases of Products. When you do this you get exactly the same value in Coupons as you would in Premiums and the Coupons may be exchanged for Premiums at any time.

For example, suppose your order for Products amounts to more than is required to secure the Premium you select. Order as many Products as you can use and ask for Coupons for the extra amount of the Premium-value due you.

Or, suppose you want to accumulate the entire Premium-value due you for several orders for Products so as to secure one of the more valuable Premiums. Then ask for Coupons instead of Premiums with each order until you have enough Coupons to secure the Premium desired. The finest articles in this Catalog are thus within the reach of all.

Coupons are also given, as Rewards for sending Club-of-Ten, Neighborhood or Recommended orders, described on pages 4 and 5. Earners of Rewards may, if preferred, take Coupons instead of Premiums as their Rewards.

Coupons amounting to \$2 or \$10, unless otherwise requested, are issued in the form of Coupon Certificates. Keep your Coupons as you would money. Duplicate Coupons cannot be issued if the originals are lost.

Get the Coupon habit. You will find it a fascinating one that will fill your home with comforts which perhaps you couldn't otherwise afford.

On request, we furnish books in which to paste the Coupons.

The Famous Larkin Club-of-Ten

Products and Premiums for Only \$1 a Month

The Larkin Club-of-Ten—The Most Popular Development of the Larkin Plan.

What the Club-of-Ten Is

The Larkin Club-of-Ten is an easy way for you and your neighbors to get the Larkin Products and Premiums with only a dollar a month. When you join, you and nine others simply agree to buy \$1 worth a month of your necessary supplies from the list of over 600 Larkin Products.

Your membership in the Club entitles you to select, once every ten months a handsome Dress, Rug, Chair,

Table or any other Premium given with a \$10 purchase of Products.

The Premium is given to you *extra*—over and above what the storekeeper could give you.

On pages 44 to 178 of this Catalog you will find hundreds of excellent Premiums that will help to make your home more enjoyable and comfortable. By joining a Club-of-Ten you can obtain any of these Premiums without increasing your household expenses at all.

Each Member Receives a Premium

Each Member receives a Premium once during the series of ten orders. At the beginning, the Members decide, by drawing lots or otherwise, with which order each will receive her Premium. For example: Mrs. A. might receive the Premium with the first order, Mrs. B. with the second, etc.

When it is your turn to receive the Premium, you select any Premium offered with a \$10 purchase of Products. Your ten \$1 purchases of Products entitle you to this without charge. If you want more Premiums, or Premiums of greater value, you can get them by ordering additional Products, or by paying cash, as explained on page 7.

Each Member Receives \$10 Worth of Products

Each month you order \$1 worth of home necessities, selected from the 600 Larkin Products on pages 9 to 43. In ten months, you will have received \$10 worth of Larkin Products—and the Premium besides.

With such a large number of Products to choose

from, you will find it easy, each month, to make up a list of \$1 worth of things you must have for the home.

The high quality of Larkin Products is well known. Read what Marion Harland says about them on page 8.

Join a Club by All Means

If you feel that you do not need \$10 worth of Products at one time, by all means join a Larkin Club-of-Ten. Over one million housewives are adding to their home furnishings and personal comforts by means of the Larkin Club-of-Ten, without adding to their

expenses at all. Any Secretary will be glad to have you join her Club. If you cannot find a Larkin Club-of-Ten to join, start one yourself. It will pay you well. Read on page 5 about the liberal Rewards given to Club Secretaries.

A Most Profitable and Enjoyable Form of Spare-Time Occupation

Over 100,000 women in this country are running Clubs-of-Ten, and you can do it, too.

This Club Secretary, Mrs. B. C. Christy, Chicago, Ill., Runs Fourteen Clubs at Once

An Easy Way to Begin

First, read carefully on page 3, the advantages of belonging to a Club-of-Ten. Then call on some friend who you think might join your Club. Take this Catalog with you and show her the many splendid Premiums that can be obtained by belonging to a Club.

After getting her to join, try someone else—one of her friends, perhaps, or someone you know yourself. You will be surprised to find how quickly you will gain confidence when once you begin to acquire members.

Always bear in mind that you are doing your friends a real favor by asking them to join. It will not increase their expenses; on the contrary it will bring them nearly twice the value they are getting for the same money spent at the stores.

You need not necessarily belong to the Club yourself, although most Secretaries prefer to be Members so as to get the Premium given the Member for her share in the Club.

Have Each Member Sign the Agreement

Have each one of the Members sign the Club-of-Ten Agreement shown on page 181. Send this to us with the first order. Please see that the names and addresses can be easily read.

Then decide upon what day of the month the order shall be sent to Larkin Co.

When all the Members' orders are in, combine them and send the order to us on the Larkin Order Blank. Keep each Member's order-slip so you will be able to check the goods when they arrive.

Large Orders Bring Large Rewards

Let new Members join at any time. Simply add their Product-orders to your regular Club-Order and ask for Coupons for the extra amount. These Coupons can be exchanged for Premiums at any time.

Urge your Club-Members to order all the Products they can use in addition to the regular Club share. Show them how unwise it is to pay full retail prices at the store when for the same money they can get similar articles from Larkin Co. and Premiums besides.

A Word About Your Club

The Member who receives the Premium each month should pay the freight- and delivery-charges that month.

The Club-of-Ten is a private organization. While we do our best to help you form and conduct the Club, Larkin Co. cannot take part in a Club and must be excused from all responsibility for details. Members arrange these themselves. We treat each Club-Order received as a separate transaction.

The Present for Cash as well as the Reward belongs to the Secretary—not the Members. It is part of her compensation for combining and sending the assembled orders of the Members.

If a Member finds it necessary to withdraw, do not allow that to interfere with the continuance of your Club. You can easily secure a substitute and on request we will send you full directions how to proceed.

We Help You Form Your Club

If you want Catalogs for your Club-Members, we will pack the number requested with your order. Please give them only to those who will use and appreciate them.

On request, we will also send you a helpful book called

"The Larkin Club"

which will give you many valuable points on how to form and conduct your Club.

We also furnish free Members' Order-Books, each containing a complete price-list of Products and ten order-slips for Members' use in ordering Products from the Secretary. Request these on the Order Blank.

Every Secretary receives our monthly magazine

"The Larkin Idea"

which is filled from cover to cover with items of interest to housewives, particularly Larkin Club Secretaries.

Start today to form a Club. We will help you in every possible way. You will be surprised at the ease with which you can fill your home with new comforts.

Senders of Neighborhood Orders Well Rewarded

You Can Earn a Larkin Premium in a Few Hours—Try It

Anyone Can Send Neighborhood Orders

A Neighborhood Order is an order obtained by anyone for Products to be distributed among ten or more families whose names and addresses will be furnished us on request.

A Fine Business Training for Boy or Girl

Children as well as grown-ups can easily make up Neighborhood Orders and obtain any of the fine Premiums described in this Catalog. It only takes a little work after school or Saturdays to get together an order and obtain a fine Writing-Desk, Camera, Sweater or any of the Premiums. Boys and girls need have no hesitation in asking their friends for orders for our high-grade Products, because they are all necessities which their friends must have. Getting up Neighborhood Orders is a fine business training in salesmanship for either a boy or a girl.

How to Send Neighborhood Orders

If you send cash with your order, besides the Products and Premium, you will receive the Reward for Sales Service

"I got this splendid Desk with an \$11 Neighborhood Order"

described below and the Present for Cash described on page 2.

If you wish, you may order the goods on 30 days' credit (see our Credit Offer on page 2) but you will then receive no Reward or Present for Cash.

If you wish to share the Premium-value with your friends, ask for Coupons instead of Premiums on the Order Blank and give each of your friends one 5¢ Coupon for each 5¢ worth of Products ordered. This kind of an order is often called a "Coupon Club-Order."

Start Now and Your Order Will Soon Be Ready

All you need to start is this Catalog and the Order Blank enclosed. Show your neighbors and friends the splendid

Products on pages 9 to 43 and take their orders for as many as they can use. You will be surprised to find how soon you can obtain any of the Premiums in this way. If you want any further information, write us and we will explain more fully.

Old Customers Well Rewarded for Recommended Orders

A Recommended Order is an order obtained by an old customer from a new customer. An "old customer" is anyone who has ever made a \$10 purchase from us, either directly or as a Club-member. By "new customer" is meant a member of a family of which no Member has ever received a shipment from us.

If you are an old customer you have probably frequently observed the astonishment of your friends at the extraordinary

value of the Premiums which you have received by the Larkin Plan. They, too, would like to order Larkin Products and obtain similar Premiums if they could be assured of the high quality of Larkin Products. You, as an old customer, know the worth of Larkin Products. You will be doing your friends a real service by introducing Larkin Dealing to them. By signing a new customer's order in space 2 of the Order Blank, you can obtain the Reward described below.

Rewards for Sending Club-of-Ten, Neighborhood or Recommended Orders.

Rewards are at the rate of ONE-FIFTH the money paid for Products.

- (1) It must be a *Club-of-Ten Order*, or a *Neighborhood Order*, or a *Recommended Order*.
- (2) The order must be fully prepaid.
- (3) Payment must include \$10 or more in cash.
- (4) The order must include at least \$10 worth of Larkin Products.

No Reward is given for extra money paid for additional Premium-Value, or for that part of any order paid for by Coupons, Due-Bills or Rewards.

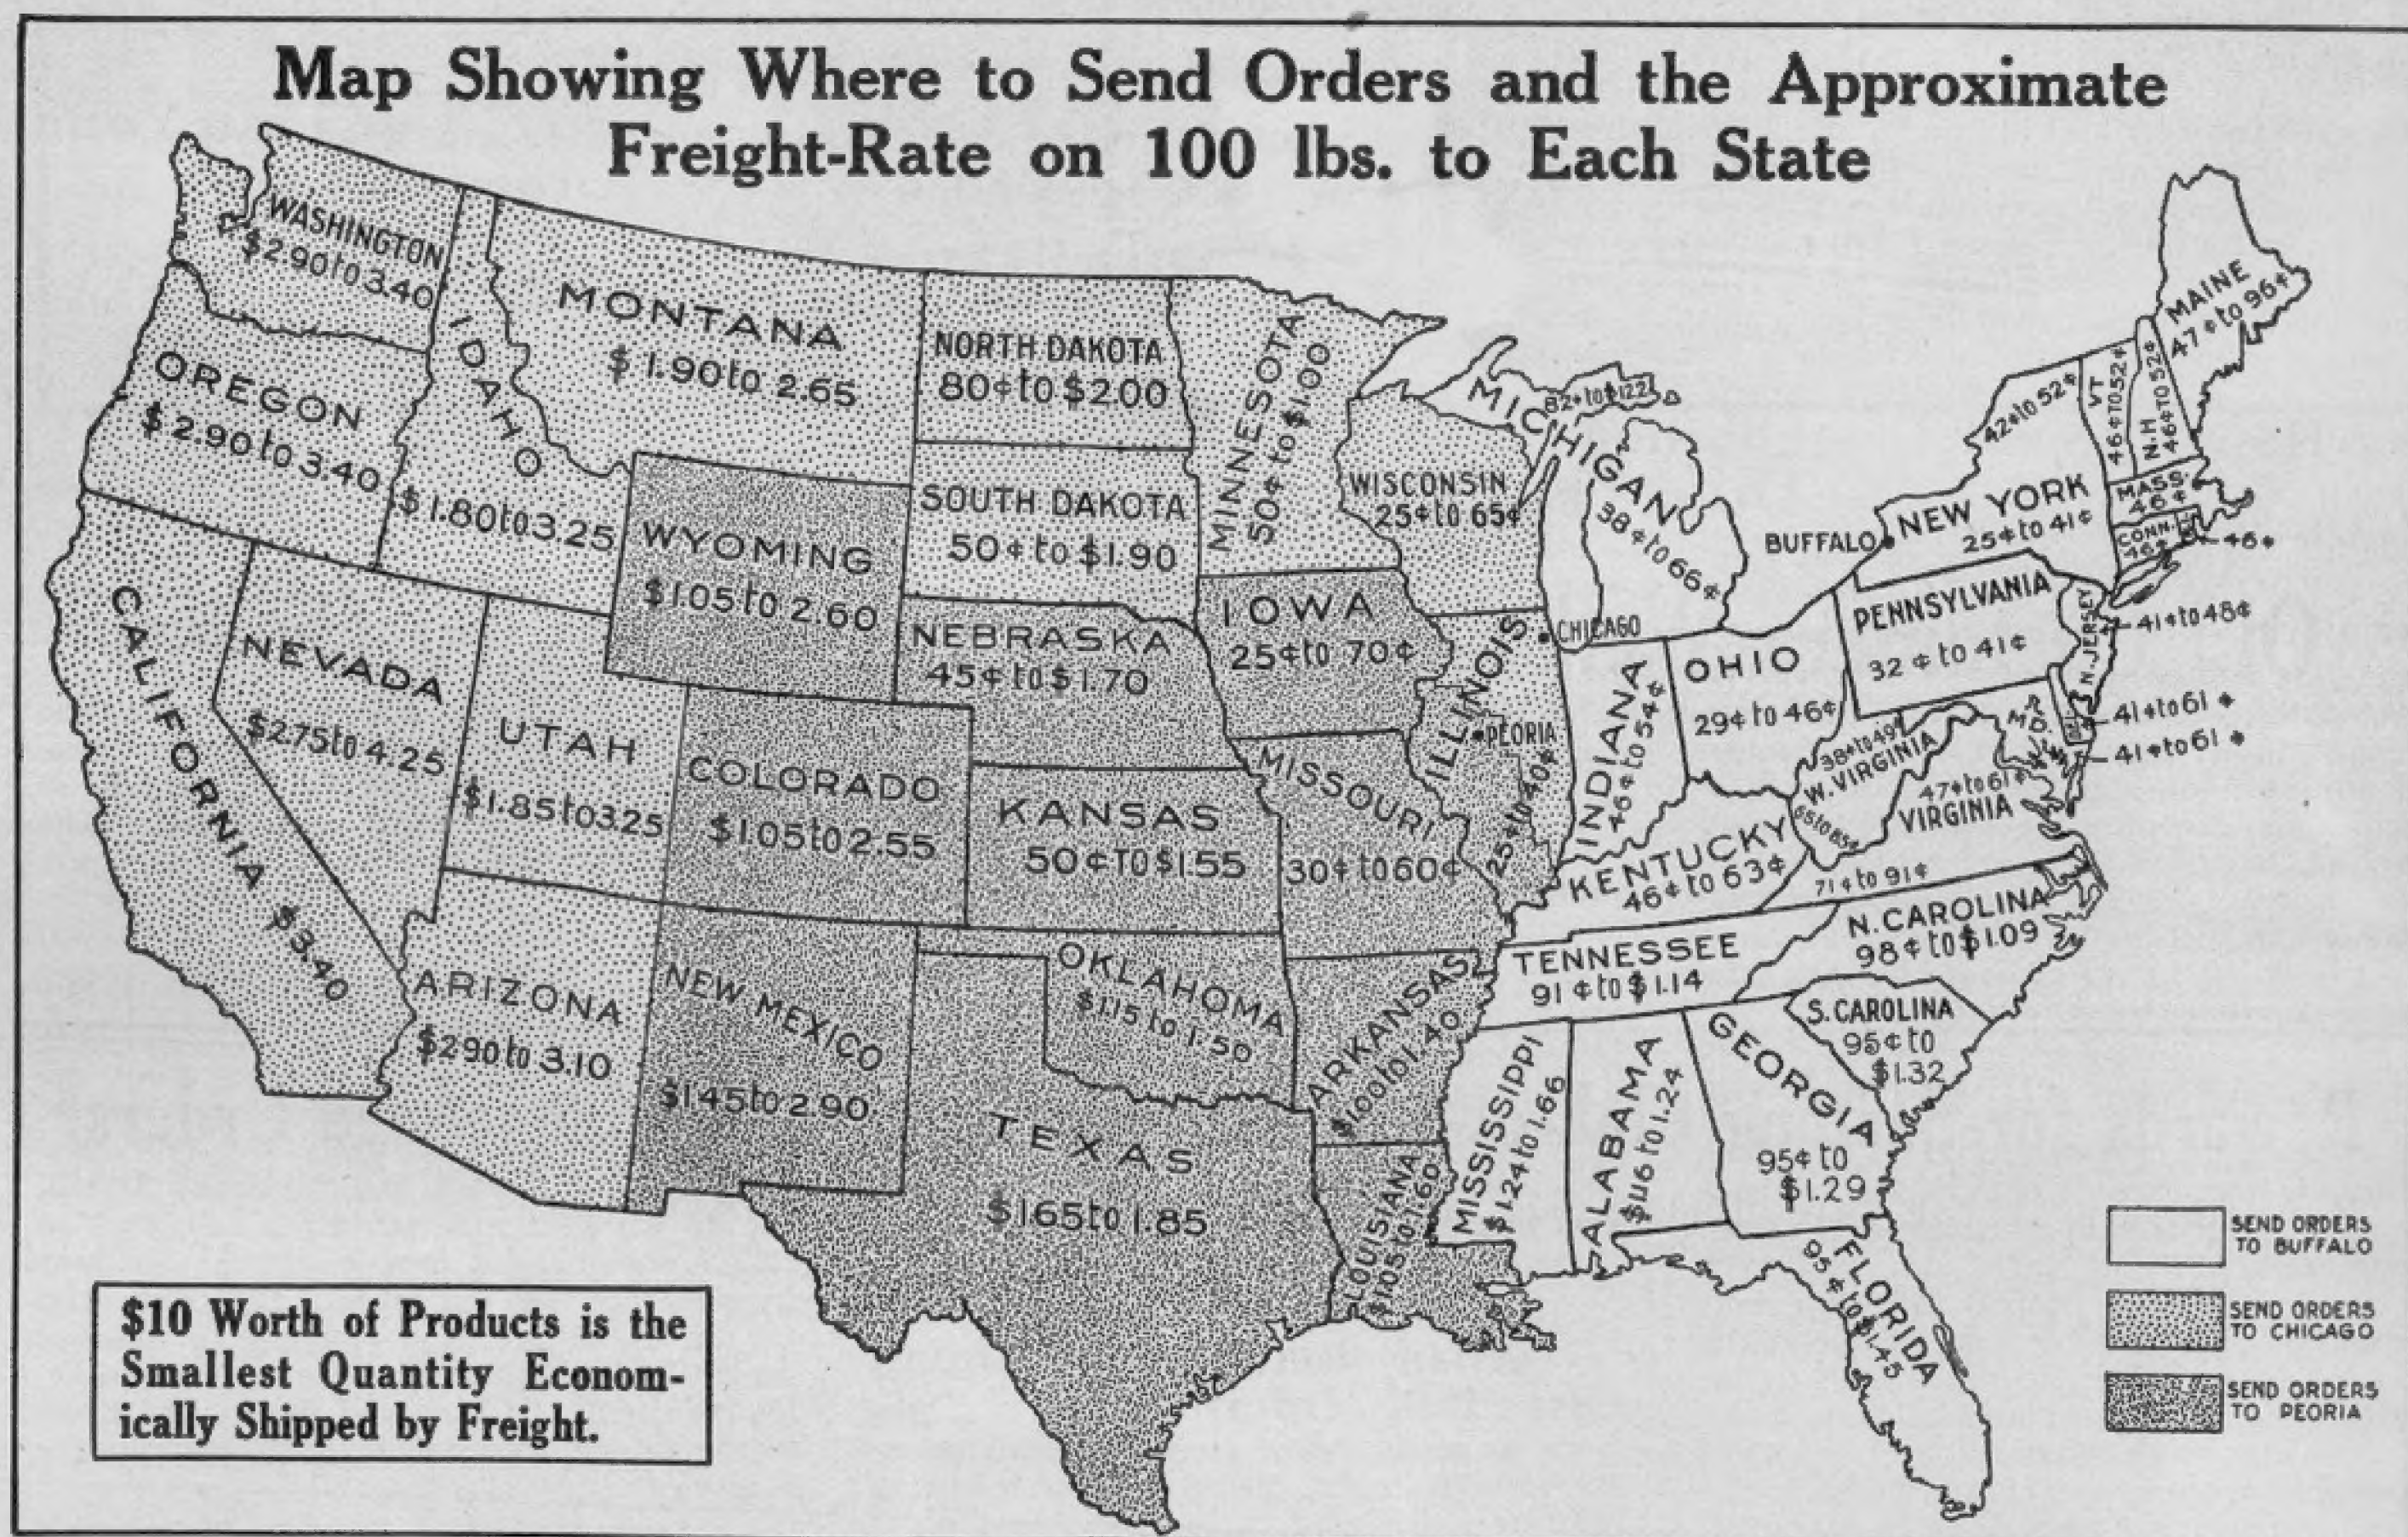

To *postpone* selecting your Reward, ask for Coupons (described on page 2).

The amounts printed on the map below will give you some idea of what your freight-charges will be. It always pays to order as much as 100 pounds if possible as the freight-charges on 100 pounds are seldom more than on 25, 50 or 75 pounds.

from Chicago or Peoria only, except on articles shipped directly from the factory at which they are made. Our customers in the far West save as much as those in Western New York. No matter in what part of the country you live, we can serve you greatly to your advantage.

As soon as the freight-agent notifies you that your goods have arrived, see that they are promptly removed. The railroads charge for storage 48 hours after notice of arrival has been mailed.

How to Have Small Orders Delivered by Parcel Post

waiting for your next freight order.

When you want goods delivered by Parcel Post be sure to include postage (unless the goods are offered mailed postpaid.) It is not necessary to send stamps unless more convenient; simply include the amount for postage in the money-order, check or currency you send us.

Tell your postmaster the weight of the goods ordered and he will tell you the postage from Buffalo, Peoria or Chicago

or Chicago. He will tell you the amount of postage to include.

Customers living on rural delivery routes especially find the Parcel Post a great convenience. In a surprisingly short time after sending the order the goods are delivered at the door by the postman.

Many families order all their lighter supplies regularly from Larkin Co. by Parcel Post.

When You Want Other Quantities of Products Than the Amounts Named in the Premium Offers

If you order *more* Products or *less* Products than the amount named in the offer of the Premium selected, you can determine how much to pay by

adding one-half the amount of *all* the Products you order to one-half the amount named in the offer of the Premium:

Example No. 1; Rocker J170 and \$10 worth of Products cost \$12, thus:

One-half of \$10 worth of Products is.....	\$5.00
One-half of amount named in offer of Rocker J170 is.....	7.00
Total amount to send.....	\$12.00

Example No. 2; The Rocker and \$16 worth of Products cost \$15, figured thus:

One-half of \$16 worth of Products is.....	\$8.00
One-half of amount named in offer of Rocker J170 is.....	7.00
Total amount to send.....	\$15.00

Other Facts About Larkin Dealing

Products and Premiums Usually Shipped Together. Unless Premiums are offered *mailed postpaid* or *shipped direct from the factory*, Products and Premiums (including mailable articles) are shipped together, to reduce charges. With some exceptions goods are shipped the first or second day after we receive your order. As explained on page 97, some of the heavier Premiums are shipped direct from the factory where made, to save cost of handling, freight-charges, etc.

We Adjust All Claims for Breakages and Shortages. If, despite our care in packing, any breakage or shortage should be discovered before goods are taken from depot, do not accept the article damaged until a full statement of damage, or a note of what is missing, is *endorsed* upon the freight-bill by R. R. agent. If after receipt of the goods at your home any breakage or shortage is found, report it, if possible, within twenty-four hours to the R. R. agent, either personally or by letter. Send endorsed freight-bill and copy of any such letter to us at once. We need this information to trace "shortages," or duplicate anything "missing." *We will immediately adjust the claim with perfect fairness to you.* If the R. R. company has overcharged you, we will refund the overcharge upon receipt of your freight-bill. Do not fail to send this. Until received we cannot send you a refund.

Report Breakage Before Incurring Repair Bill. We cannot recognize a bill for repairs which were made *without* our authority. Report to us any breakage or injury to goods in transit and rely upon our prompt attention and fair treatment. Do not incur any cost unless you *first* receive our consent.

Get Shipping Instructions Before Returning Goods. Never return any goods until you have written for and *received* our instructions. If for any reason you are not satisfied, notify us without fail within a reasonable time, say not later than thirty days after receipt of the article, or as soon as defect is known, if later.

Foreign Shipments. Goods are shipped to Alaska, Canada and Hawaii, from our factory at Buffalo. Goods for other *foreign countries* are shipped in bond from our Branch in Philadelphia, Pa. On all foreign orders shipped from Philadelphia add 6½ per cent. to the price of all Products with which Premiums are taken, to cover freight from Buffalo to Philadelphia and extra packing. For example, on an order for \$10 worth of Products and a Premium given with a \$10 purchase, add 63¢. When Products are ordered without Premiums there is no extra charge. Merchandise for Canada, or foreign countries, always travels *with* the Products, to avert increased freight-charges and handling.

When Referring to Order, Give Full Information. *If you write us about orders previously sent*, to insure *prompt* reply, please give the following information:

- (1) *Full name* and address of the person to whom the goods were to be sent (exactly as these appeared in the original order).
 - (2) *Date* when you mailed the order to us.
 - (3) *Names* of all Premiums ordered.
- If you cannot tell exactly, give the fullest information possible. You can get this from the copy you made when you sent the original order.

You Need No License to Send Orders to Us. It is illegal for you to be taxed or forced to take out a license because you send us orders for *your own use*, or on account of your connection with a Larkin Club, as long as you take orders for future delivery to neighbors. Without expense to you, we hereby guarantee to *protect* you from financial loss by reason of any demand—if it be made—upon you, for the payment of a tax or license, on the ground of your dealing with us.

If any one attempts to collect any license-fee or tax or interferes with you in conducting your Club, write us immediately, giving name, address and full particulars.

Not Acknowledging Orders Averts a Needless Waste. To acknowledge a million orders, even by a post-card, would cost \$10,000 simply for the cards. Having over two million of customers, *we do not acknowledge receipt of orders.* Thus one waste is averted. The mails are so safe that you can rely upon your letter reaching us.

Avoid Dealing With Unauthorized Persons. No offers are made and no inducements are given by us, *unless contained in our printed matter.* *Avoid dealing with strangers who offer anything as from Larkin, not contained therein.* We do not authorize traveling solicitors to *collect money.* All money should be sent by mail direct to our office. Strangers who in our name demand money *in advance* probably are *impostors.* For safety's sake, ignore them. If you will report the cases to the police, you will do your community a service.

Effect of European War on the Larkin Business. The Larkin Co. has thus far been singularly fortunate in being able, with few exceptions, to give its customers the benefit of the same prices and selling terms that existed before the European War began.

While it is true that the present uncertainty regarding sources of supply and disturbed market conditions have made it necessary to omit some articles from this Catalog, and change the selling-terms of a few others, we can assure our customers that we have used every endeavor to make these changes as few as possible.

Under present conditions all our offers must necessarily be subject to withdrawal without notice.

Goods Offered in Former Catalogs. Although this Catalog cancels all previous ones, *nearly all goods offered in the last previous Catalog can still be furnished*, and also many of those offered in earlier editions. “NOWHERE is better quality obtainable at any cost,”
wrote MARION HARLAND
after a careful examination of
Larkin Products.

THIS world-famous expert on domestic science and cookery and author of Common Sense in the Household, Marion Harland's Cook-Book, Story of Canning and Recipes, Housekeeper's Week, etc., did us the honor of paying us a visit. As a result of her inspection of our factories she further states:

“It is a pleasure to say that my investigations convinced me that everything here is entitled to highest commendation. The Company conducts its housekeeping in the right way. Everything ‘from cellar to garret’ is in fine condition. The Larkin Factories are a model plant.”

All orders for special colors filled from Buffalo, N. Y. Special colors will be made from the same excellent base as our regular colors. Because each order will require a special mixture of colors, to produce the right shade, it will be impracticable to print a statement of ingredients on the can.

Sewing-Machine

No. 150180 GIVEN with purchases of
Products amounting to \$36
or for \$36 in Coupons. With other quantities
of Products, see page 7.

This splendid automatic-lift, drop-head Sewing-Machine is mounted on an attractive Oak stand nicely finished in Golden-Oak. The drop-leaf is of finely-grained Quarter-sawn Oak. When not in use, the head is easily lowered below the sewing-level and completely covered by the drop-leaf. The six, easy-running drawers lock automatically when Machine is closed. They can be unlocked, without raising head, by a secret latch under bottom drawer.

Has All Modern Conveniences

The New Royal "D" head has a side tension which automatically releases the thread when presser-foot is raised so the thread can be pulled out easily and passed over the thread-cutter. The four-motion square feed will not pucker the thinnest material and yet is so forceful that it will feed perfectly when sewing the heaviest materials. Automatic bobbin-winder winds the bobbin uniformly.

Other Special Advantages

The New Royal uses a short stout needle the same as the Singer needle. The head is tastefully decorated with silver and gold transfers on bed of black, high-luster Japan and many parts above and below are nickel-plated.

All wearing parts are case-hardened. The shuttle is especially reinforced. Has ball-bearing balance-wheel and pitman rod. This Machine will not easily get out of order.

Actual Photographs of Rooms Furnished with Larkin Premiums.

Thousands Have Added To Their Home-Furnishings Without Expense

It would take as many pages as there are in this Catalog to print all the letters we have received testifying to the excellence of Larkin

Furniture. Here are a few to show you what they are like:

"I received my Colonial Dining Table No. 30270 in first-class condition. I find the Table better than represented in your Catalog. It is beautiful. All my friends think the same of it."

Mrs. James E. Earl,
Passaic, N. J.

"We are more than delighted with our last Larkin Premium, a big Leather Rocker. It is just fine. My husband is as proud of it as I am. My house is nearly furnished with Larkin Premiums."

Mrs. Richard R. Brewer,
Plainwell, Mich.

"I have just received my Larkin Premium, a Music-Cabinet. Must really say that I am more than delighted with it. It is simply beyond my expectations."

Mrs. C. E. Murray,
Uhrichsville, Pa.

"I received my Premiums, the two Colonial Dressers, and I think they are just beautiful. Every one else who sees them thinks they are great."

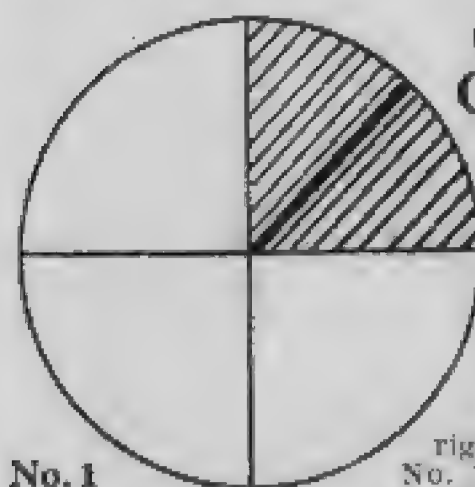

Mrs. Sarah White,
White Hall, Md.

Why Larkin Furniture Is Famous For Its Beauty and Durability

Woods Are Carefully Selected

The woods used in Larkin Furniture are carefully selected for strength of fiber and beauty in the figured grain. The Oak is from sound close-grained forest-trees cured by natural drying in the open air, which preserves the life of the wood. The Bird's-eye Maple, so handsome in bedroom furniture, is selected from that peculiar variety of maple wood which is full of tiny "birds." The Mahogany comes from the forests of Cuba, and is chosen for color, figure and texture. Circassian Walnut is imported from Russia, and owing to its scarcity is used only as veneer on high-grade pieces.

Quarter-Sawed Oak Much Used

No. 1

Our illustrations explain the meaning of the words "Quarter-sawed Oak," as used in describing our Furniture offers. Illustration No. 1 shows the log as it is first sawn into four quarters. Each quarter is then bisected from the heart to the bark. See heavy line in upper right quarter of illustration No. 1. Boards are then sawn parallel to the bisected section.

A quartered log requires four times as much handling as a "plain sawn" log, but it produces the most beautiful American cabinet wood obtainable, since the "veins" running from the heart to the bark are divided and resultant beautiful "markings" revealed, as shown in illustration No. 2.

No. 2

Furniture which must be especially strong, from sewing-machine-cabinets to piano-cases. As far as possible we also use veneers even in the lower-cost articles of furniture.

Larkin Furniture Is Durable

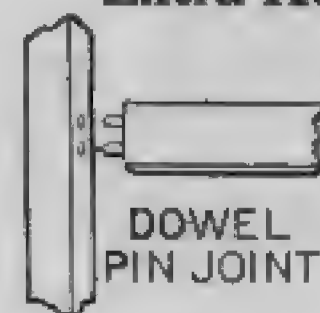

The factories which produce Larkin Furniture specialize on sound and strong construction by the most improved and economical methods. Parts are fastened together by approved structural joining which produces rigid furniture that will last many years. Screwed and glued corner blocks keep frames from racking. Accurately-fitted mortise-and-tenon joints fasten posts and rails together. Pin and dowel work fasten rockers to their posts and prevent squeaking. Such parts as drawers are joined by dovetailing, cut to the finest degree of accuracy.

Why Veneers are Used

By the use of veneers, which are thin pieces of choice expensive wood laid upon other wood, much more beautiful furniture can be economically made than in any other way. Veneering brings out the wood grain and shows it at its best. The veneers are so solidly joined as to become a part of the core.

This construction is desirable because veneering imparts strength and stability to the furniture. These qualities result from reversing the direction of the grain in the several layers of wood used. There are always three or more layers. The grain of the outside veneers runs one way. The grain of the inside layers alternately runs at right angles to that of the layers next to them. This helps to prevent shrinking, buckling and warping. We use veneer construction on all Larkin

Extra Keys—Measurements

DOWEL
PIN JOINT

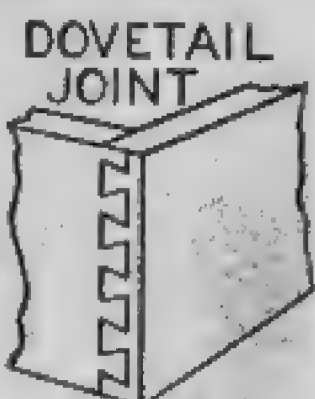

A duplicate key for the lock of any piece of furniture will be mailed, postpaid, on receipt of 5 cents. (A locksmith would charge 25 cents.) On ordering, always give the Catalog name and number of the article for which the key is desired.

Only the outside measurements of furniture are given, except when otherwise stated. These figures tell the space any article requires.

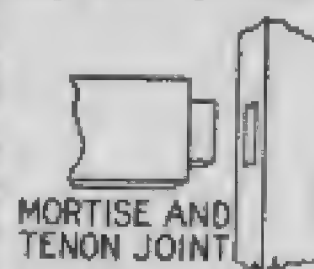

Shipping Direct From Manufacturers Lessens Cost

Scores of factories located in different parts of the country where leadership in their special line of work has been attained, are engaged in manufacturing Larkin Furniture, etc. To save cost of freight, handling and storage, some of the heavier pieces are shipped direct from the factory to customer's home. We are able to offer these larger articles to customers on more liberal terms than would be possible if we had to add charges for freight to our warehouses, storage, handling and reshipping from there. The largest and heaviest articles are made in several factories, so that Eastern and Western customers by this plan have the benefit of lower freight-rates than could be had from Buffalo.

To reduce freight-charges still further, many articles are shipped "knocked down," which means "taken apart in sections, so that they may be packed in the smallest possible space." But in every such case the parts are so made that any one can easily and quickly put them together and the finished article is as strong as if assembled at the factory.

Those thousands who now possess these instruments have proved that our offers are liberal and convenient. What these have done, you, too, can do. Symphonolas

During the 75 years preceding January 1, 1913, no piano made by the Knabe family had ever been sold direct from their factories. Dealers and agents assisted in the distribution of their instruments. Now for three years, Symphonic Pianos and Symphonic Player Pianos made by The Knabe Bros. Co., members of which formerly made the Wm. Knabe piano, have been sold the Larkin Factory-to-Family way. As a result these high-quality instruments, the retail price of which would be \$450 to \$650, are now sold on easy monthly payments without interest at savings of \$200 to \$275. Additional worth-while savings are also obtained in buying these instruments with Larkin Products or with Larkin Groceries and Home Supplies.

Symphonolas are made by one of the two largest manufacturers of such instruments. They contain all of the features which have made this maker's instruments famous the world over for the clearness and fidelity with which they reproduce all vocal and instrumental records as well as for the sweetness, purity and volume of tone. Our prices are much less than the usual retail prices for such instruments. Symphonolas also play all Victor and Columbia records.

Now please note the brief statement of our Three Liberal Sales Plans, then be sure to ask today for all details.

Plan One With Products

A \$10 Products order sent monthly will pay for a Symphonic Piano or a Symphonola. Or a \$15 order for a Symphonic Player Piano. Products are to be bought at full list prices. Orders are to be Self or Neighborhood Orders and not Club Orders.

Plan Two With Groceries

A \$5 Grocery order at wholesale prices and a \$5 payment each month are the terms for the Symphonic Piano or the Symphonola under Plan Two. Or a \$7.50 Grocery order and a \$7.50 monthly payment for the Symphonic Player Piano. Payments on instrument may be cash or cash value in Coupons.

Plan Three Sold Alone

We are prepared to show that Plans One or Two are our most profitable offers. However, we will sell any one of these instruments on a small payment down and then \$5 a month on the Symphonola, \$6 on the Symphonic Piano or \$8.50 on the Symphonic Player Piano. Under Plan Three no Products or Groceries need be purchased.

Liberal Rewards To All Who Help Us Sell These Instruments

Every music lover who is without one of these instruments will do well to at once get all details of these liberal offers. Those who have instruments and for that reason are not in the market for Symphonics or Symphonolas will find it greatly to their advantage to help place our instruments in the homes of their friends. We liberally reward all who help sell these instruments to those with whom we have not previously negotiated. Club Secretaries, Club-members, in fact everyone who knows of some one else who is considering the purchase of similar instruments, should write for our terms of liberal reward.

"What I Think of Larkin Co." told by Larkin Customers

Thinks Products and Premiums Fine

I think your Products and your Premiums are fine. I tell the people here that it is much better to get their Products of Larkin and get a nice Premium than to pay their money to the stores and get nothing. Compared some of your Lemon Extract with some I got at the store here. I had rather have one bottle of your Lemon than two of such as I get here.

Mrs. Silas Bennett, Chestertown, N. Y.

Home Furnished with Premiums

I am very much satisfied with all of my Premiums. I have a new home and have it all furnished in Larkin furniture. I have been at it for 2 years.

Mrs. Carl Firch, Charles City, Iowa.

Put Money in Bank—Paid Way Through School

When I was a little girl about 8 years old I sold the first box of Larkin Soap and received a Writing-Desk. Then I kept it up and received many Premiums. Then I sold Products for cash and before I was 16 years old I had \$100 in the Milan Bank and was paying my own way through high school where I graduated at 18 with \$300 in the Bank.

Mrs. M. D. Knowles, Azalia, Mich.

Name Larkin a Guarantee of Purity

It gives me pleasure to testify to the excellence of Larkin Products and the superiority of Larkin Premiums. The name Larkin is a guarantee to us of purity and honesty. One of my Club-members once remarked that her Club-of-Ten orders were the best investment she ever made.

Mrs. R. E. Wilklow,
Santa Fe, N. Mex.

Hurrah for Larkin

Hurrah for Larkin! I am always a Larkinite. They are furnishing my house—a thing that I could not do. Since times were hard I could never expect to get a thing if it were not for Larkin.

Mrs. E. D. R., Ola, Ark.

Most of Her Furnishings From Larkin

Very much pleased with both the Products and Premiums. I thank you very kindly for your prompt attention to all my orders and assure you I will always speak a good word for Larkin Co. I am a pretty good advertisement, for almost everything in my little home is from Larkin Co.

Mrs. Myrtle B. Herbert, Wyoming, Del.

Premium Was Great

The Premium was great. I can't imagine how you give such value and also such good quality.

Edith Maloney, Westfield, Mass.

Proud of Her Table

Received the Library Table in first-class condition and am greatly delighted with the same. I take great pleasure in showing it to all my friends and explaining how I obtained it. I hope to interest a few others who are not Larkinites, as I term my Club-of-Ten.

Mrs. G. H. Morgan, Madison, Wis.

Appreciates What We Have Done

I certainly appreciate all the Larkin Co. has done for me, for I have our home almost furnished with Larkin Premiums.

Mrs. Nellie M. Douglas, Chester, Ill.

Cannot Say Enough for Larkin

I cannot say enough praise for Larkin Co. and I always persuade others to deal with you.

Mrs. Ernest Peabody, Springfield, Mo.

Better Than Represented to Be

The Chair arrived in a very short time and the Club-member was delighted with it. She said it was like all other Larkin Premiums, much better than represented to be.

Mrs. Jos. Mudgett, Moscow, Idaho.

Reduces High Cost of Living

My Club-member says Larkin Factory-to-Family Dealing is the greatest help in reducing the high cost of living. Since giving Larkin Products a trial she is fully convinced of the saving and knows Larkin Products and Club Plan are better than other Clubs through which she has dealt.

Mrs. M. M. Hunter, Ben Avon, Pa.

Better Than She Could Get at Home

Larkin goods are all right. I have never had a thing but that was far better than I could get at home, and as for the Premiums, my house is nearly furnished with Larkin Premiums. I've had a set of silver Knives and Forks for 10 years and always used them every day. Nearly as good as new yet.

Mrs. Frank Smith, Altmar, N. Y.

Just as Represented

I have always found Larkin Products to be fully as represented. The Premiums are fit to grace any home and one is proud to show them and say, "That is a Larkin Premium."

Mrs. Cora B. Webb, Wolfeboro, N. H.

Has Dealt With Us 10 Years

I want to thank you for the many nice Premiums I have received in the past ten years from the Larkin Co. They have been very satisfactory and I like the Products very much. My husband said the other day, "The Larkin folks would feel quite at home here if they visited us, wouldn't they?"

Mrs. Lester Bivins, Coopersville, Mich.

When organizing a Larkin Club, cut off this Agreement, have members sign it, and send to us.
